

EHDP8740KK Built-in Hob

Complete control

Seamlessly flat and elegantly designed with a spectacular backlighting, this ceramic glass induction hob offers one-touch precise heating control that top chefs require.

Maximum power as soon as you need it

The power booster function on this hob is perfect for when inspiration strikes and you suddenly need a quick and intense burst of heat.

Just touch and slide to the heat level you need

This induction hob's rotary-slide interface lets you intuitively set the temperature you require. Just touch the control and slide around to the desired heat level.
