

EUCP2245AW Freezer

A great freezer in energy use that also saves you time

Thanks to its leading technology, this upright freezer with FrostFree is rated A++ for energy use. It will save energy, cut running costs – and remove the need to defrost!

The space to make every item visible in the freezer

When your upright freezer is crowded, it can be difficult to find what you need. With the SpacePlus® freezer drawer, you get an at-a-glance overview of everything inside.

Freezer providing instantly frozen goodness

The FastFreeze function freezes fresh foods faster so vitamins, texture, flavour and all healthy qualities are preserved better. That means this freezer assures you will get the most of your groceries.
