

## EVYP0946AX BI Oven

### Enhance the flavours you love.

Every meal will be an experience when you cook with the CombiSteam Pro oven and its professional Full Taste Steam System. It has three cooking modes - heat, steam and combination. In the combination mode it will automatically adjust to exactly the right combination of heat and steam. So, it helps you to consistently achieve golden and crisp on the outside and juicy and succulent on

### Explore new tastes and intense flavours

With the SousVide function you can steam your food, herbs and flavourings in vacuum-sealed bags at a low temperature. This strongly intensifies the flavours, for unparalleled taste and texture.

### Smart food probe for perfect results

This plug-in food temperature probe gives you more insight into your food. Set the probe to the right cooking level (e.g., rare, medium, well done) and it will alert you and switch the oven off when your dish is ready.

### More Benefits :

- Chose from 220 on-screen recipes and allow the oven to set temperature, humidity and time or make your own adjustments
- Easy-access removable water jar for quick refilling at the tap
- Front lamp that illuminates the entire cavity without dazzling

### Features :

- Compact built-in oven

- Anti fingerprint stainless steel
- Oven cavity with 2 baking levels
- Fast oven heat up function
- Meat Probe
- Cleaning reminder
- Automatic temperature proposal
- Memory function for frequently used oven settings
- Integrated recipes
- Automatic weight programs
- Electronic temperature regulation
- Time extension function
- Electronic Child Lock safety function
- Heat and hold function

### Technical Specs :

- Product Installation : Built\_In
- Product Typology : BI\_Oven\_Electric
- Product Classification : Exploration
- Type : Compact
- Installation : BI
- Size : 46x60
- Oven Energy : Electrical
- Cooking : Fan + Ring + Steam
- Cleaning top oven : Grey Enamel
- Cleaning bottom oven : None
- N° of cavities : 1
- Design family : Millennium14EU
- Main colour : Stainless steel with antifingerprint / Mirror
- Control Panel material : Glass With Decor Trim
- Type of doors : 2 Horizontal stripes glued, 4 Glasses
- Type of handle : Metal
- Door type bottom oven : None
- Door hinges : Drop Down Removable
- Drawer : No
- Control lamps : No
- Hob control : No
- Left front - Hob control : None
- Rear - Hob control : None
- Right front - Hob control : None
- Right rear - Hob control : None
- Thermostat : Top
- Type of timer min. : PCIII/OVC3000EOS
- Electronic Oven Control : P3.T4.W10.S-AP
